Who Can Apply

Open to all government of Guam employees and the public.

Qualification Requirements

Two (2) years of experience in the applicable field of engineering and graduation from a recognized college or university with a Bachelor's degree in the particular field of engineering; or

Current registration as a Professional Engineer by any state or territory of the United States; or

Two (2) years of experience in the applicable field of engineering and possession of a current Engineer-in Training (EIT) certificate from any state or territory of the United States; or

Three (3) years of progressively responsible experience in the applicable field of engineering acquired under professional engineering supervision and graduation from a recognized college or university with an Associate's degree in the particular field of engineering; or

Two (2) years of experience in the applicable field of engineering and graduation from a recognized college or university with a Bachelor's or higher degree in engineering technology, physics, architecture or closely related field.

Nature of work

This is moderately complex professional civil, mechanical, electrical, telephone, traffic, environmental or architectural engineering work. Employees in this class perform moderately complex professional engineering work independently on an ongoing basis and participate in the field on more complex professional duties under closer supervision. Employees often serve as team or group leaders over less experienced professional and technical staff.

Illustrative Examples of Work

Prepares designs, plans, estimates, specifications and oversees construction plans of irrigation, channels, conduits and mains to transport and distribute water, reservoirs, pressure valves, and booster stations to obtain water pressure at all levels. Checks field recommendation and final design for engineering structures and bridges; cooperates with other officials for problems relating to adequacy, economy and design of hydraulic structures; checks and advises subordinates as to methods and performance field studies; advises on and analyzes hydraulic problems pertaining to highway, and structures that arise and are referred to the section for review; meets contractor on other agencies to discuss hydraulic problems and solutions concerning design and structures; handles owner agreements for canal modifications. Acts as a project engineer in solving problems encountered with aspects to controlled maintenance program. Designs mechanical engineering systems for small or large construction and modeling projects. Reviews moderately complex mechanical engineering plans and specifications submitted by contractors to verify adequate design and insure compliance with requirements of all regulatory codes; prepares written critiques of all plans and specifications reviews. Develops preliminary plans and studies; develops engineering plans and specification. Performs related duties as required.

Knowledge, Abilities & Skills

Knowledge of the principles and practices of civil, mechanical, electrical, telephone, traffic, environmental or architectural engineering. Knowledge of a variety of construction materials, and their characteristics relating to engineering. Ability to apply local and national building or traffic safety regulatory codes. Ability to estimate building, labor and material costs. Ability to interpret and apply regulations, laws and ordinances pertaining to the engineering specialty. Ability to make computations and calculations involving the applications of engineering principles. Ability to prepare, interpret and utilize plans, designs and specifications. Ability to analyze and present technical data in clear, concise engineering reports. Ability to test the quality and suitability of new methods of construction and various types of materials. Ability to work effectively with the public and employees. Ability to communicate effectively, orally and in writing. Ability to maintain records.

Minimum Educational Requirements

All new employment in the service of the government of Guam shall have, as a reasonable measure of job performance, minimum requirement of high school diploma or a successful completion of General Education Development (GED) test or any equivalent of a general education high school program, apprenticeship program or successful completion of a certification program, from a recognized, accredited or certified vocational technical institution, in a specialized field required for the job, pursuant to Public Law 29-113.

ENGINEER II (MECHANICAL) OPEN COMPETITIVE EXAMINATION

Documentation Requirements

To validate credentials you may claim, (e.g., High School Diploma, College Transcript, DD-214, etc.), an original or certified copy of the document(s) must accompany each employment application you are applying for with your legal signature. Applicants shall be responsible to provide all required documents for each employment application submitted and failure to provide proof may result in disqualification. For more information, please contact the Recruitment Branch at 475-1141/1120/1174.

Suitability Determination Form

Your employment application will not be deemed completed unless the Suitability Determination Form is completely filled out, signed and dated. If it is not complete or missing from your application, your application for this position will be rejected. Please pay particular attention to question #2. If you answer "yes", you must attach your police clearance that is no older than one (1) month from the date of submitting your application. In addition, please resubmit an updated Suitability form if anything occurred that warrants updating your responses on your Suitability Form after you have submitted your application.

Prohibition Pursuant to P.L. 28-98

No person convicted of a sex offense under the provision of chapter 25 of Title 9 GCA, or an offense as defined in Article 2 of Chapter 28, Title 9 GCA in Guam, or an offense in any jurisdiction which includes, at a minimum, all of the elements of said offenses, or who is listed on the Sex Offender Registry shall work in any agency or instrumentality of the government of Guam.

Examination Requirements

Applicants will be rated on a scale between 70.00 and 100.00 percent on the basis of their training, education and experience in relation to the requirements of the position.

Interviewing Procedures

A personal interview or interview by telephone (if off-island) will be held by the appointing authority or his designee for all eligibles referred via certification.

Employment Medical Examination

All applicants accepting employment must undergo a medical examination and be declared by the physician as capable of performing the duties of the position being hired for.

Work Eligibility

When offered a position, you will be required to provide proof of identity and eligibility for employment in the United States as condition of employment.

Drug Screening

Applicants selected for and offered employment with the Government of Guam shall undergo and pass a mandatory drug test before being employed. This also applies to employees selected for Test Designated Positions (TDP), failure to submit or pass such drug test shall be grounds for rescinding the offer of appointment.

Police & Court Clearances Requirements

If selected for this position, your selection will be conditional pending submission of a recent police and court clearance, and taking and passing a drug test (see Drug Screening section of the announcement). The hiring department will mail a letter to you explaining these requirements. You will have five (5) business days from the postmarked date of your letter to submit police and court clearances that are no older than one (1) month from the date of your letter. The cost of the clearances is your responsibility. If you have already submitted clearances with your employment application, you will not be required to resubmit as long as they meet the date criteria above. If you do not have any conviction or conditions that would warrant rescinding the job offer, and pass the drug test you will be notified of your start date.

Where to Apply

Submit job applications at the Department of Administration, Human Resources Division 2nd floor, ITC building, Tamuning, between the hours of 8:00 a.m. – 5:00 p.m., Monday through Friday. Individuals with disabilities who require special accommodation should contact this office prior to any scheduled examinations or interviews.
